

## Personal Service

Weddings are our speciality! We know how important it is to get everything right, right down to the finest detail - our management team and staff are fully experienced in what it takes to give you a day to remember forever.

We will allocate a personal Wedding Co-ordinator to help you select your individually created wedding breakfast menu, canapes, drinks & wines to be served, table layout and table and room decoration. On the day, we undertake the 'Master of Ceremonies' role, leaving you to relax and enjoy the occasion.

We have a list of local florists, photographers, DJ's and bands who will help you create the look you require, record the event and encourage you to party into the night!

Our aim is to be flexible and work with you to deliver the day you want, whilst keeping within your budget and with no hidden costs.

## The Venue

Overlooking the rolling Northamptonshire countryside, The Benefield Wheatsheaf provides an idyllic setting for your special day. The traditional stone walled building dating back to the 17th century, warm & friendly atmosphere, delicious food and views over open fields make this a stunning wedding venue.

We have two rooms licensed to hold civil wedding ceremonies performed by the Oundle Registry Office, catering for weddings of up to 60 guests in the Garden Room or, for a more intimate ceremony, the Snug can hold up to 16 guests.

Whether or not your ceremony takes place at the Benefield Wheatsheaf, we offer excellent facilities for wedding receptions and banquets either in The Garden Room or for larger weddings, in the marquee on our extensive lawn

Your wedding day is personal to you and you may wish to share it only with your guests, so exclusive use of the venue can be arranged.

## Accommodation

Another great advantage of holding your wedding at the Benefield Wheatsheaf is that we can provide luxury accommodation for up to 37 guests in our 19 en-suite rooms. These include 10 superior rooms, one of which is a self-contained attic room and one with a four-poster bed. Our accommodation rates are excellent value and include full English breakfast, cooked to order.

## Food & Wine

Impress your guests with our delicious food, attentive service and high quality wines.

We can prepare the style of cuisine and any particular dish you require, or you can make your selection from our wedding menus. Our talented chef will assist you to create the menu that suits your budget, using fresh, locally sourced and seasonal produce wherever possible. Canapés can be served with the aperitif prior to the Wedding Breakfast.

Our wine list features a range of excellent quality, affordable wines & champagne. The hotel bar serves real ale and we offer a wide range of drinks and cocktails to suit all tastes.

Should you wish to party on into the evening, for your evening guests we can arrange a finger buffet, a cold plate buffet, Hog Roast or Barbeque, served in the Garden Room or outside on the terrace in fine weather.
